So Sad - Lloyd Green "Revisited"

Remember how you used to feel dear

You said nothing could change your mind

It breaks my heart

To see us part
We used to have good times to get her.

It makes me cry.

But now I feel them slip away.

You said nothing could change your mind.

Remember how you used to feel dear.

So sad to watch good love go bad.

That I feel so blue.

When I know for certain that I'm losing you.

We used to have good times to get her

It makes me cry

To see love die

To see us part

When I know for certain
Is it any wonder
So sad to watch good love go bad
That I'm losing you
When I know for certain
